

## InstaFloor to exhibit at Project Qatar with KTS

**PROJECT QATAR, APRIL 30 – MAY 3, 2012 - Visit InstaFloor at the KTS Stand G208 in Hall No. 02 – Doha Exhibition Centre**

22,000m<sup>2</sup> of InstaFloor Rubber Crumb Underlay installed at the Crowne Plaza Hotel, Doha

PROJECT QATAR is now established as Qatar's most important exhibition for highlighting the latest products and services needed for Qatar's fast growing construction sector.

InstaFloor considers Project Qatar to be one of the best exhibitions in the region. This exhibition will be providing us with an exciting platform to showcase our unique InstaFloor range of rubber crumb acoustic flooring, peel and stick rubber crumb underlay and rubber crumb backed carpet tiles that are all high performance, environmentally friendly products.

We will be showing our InstaFloor product ranges jointly with our representative in Qatar, Karmah Trading & Services (KTS), a highly qualified and well equipped company with considerable experience that has been built up over three decades in the Qatari construction and flooring sectors.

All of our products incorporate high quality rubber crumb derived from recycled tyres, so as well as being environmentally responsible flooring solutions, these innovative products provide exceptional cushioning and underfoot comfort, superior acoustic properties and excellent impact energy absorption. Each product has been carefully selected, designed and manufactured to ensure that outstanding cost-effective results are obtained for all required applications.

**Come and see the InstaFloor range on the KTS Stand No. G208 in Hall No. 02 at the Doha Exhibition Centre on April 30 – May 3, 2012.**
